SETUPS

Cutomer will be consulted on playing style, preferences, etc. Action is dependent on what we are working with. Necks in desperate need of fret work obviously cannot be brought down to the same action/height as those with perfectly level frets. Includes intonation set, string height adjustment, truss rod adjustment, frets cleaned and polished, fingerboard treated with lemon oil, bridge hardware lubed and tensioned, tuning machines tightened and lubed, general cleanup. All pots and switches sprayed out, jack tensioning, pickup height set. Nut and saddle slots cleaned with Mitchell Abrasive wire. **Will require new strings-not included. Not Negotiable.**

Acoustic Guitar	\$65.00
Acoustic Guitar (12 String)	\$85.00
Acoustic/Electric Bass	\$65.00
Electric Guitar	\$65.00
